EAST RIDING OF YORKSHIRE COUNCIL

East Riding Museums Service Exhibition Application Form

The East Riding Museums Service Exhibitions Panel determines the exhibition programmes for 4 sites: Beverley Art Gallery, the Treasure House, Goole Museum & Art Gallery, and Sewerby Hall.

How do we select exhibitions?
To avoid any bias and to ensure that our exhibition programmes are of a high quality and are well balanced, exhibition requests are considered by an 'Exhibitions Panel'. The panel meets quarterly and will consider your application for all four sites. We aim to respond to your request within 4 months of receiving the necessary information.

If you wish to be considered for an exhibition in Gallery Two of the Treasure House please complete and return this form. Gallery Two is predominantly an exhibition space for the display of heritage and art material relating to the East Riding. The space is available for community groups, local history societies and independent museums to develop an exhibition with the help and assistance of the Curator.

Address

Have you/your group exhibited in a gallery/museum before? If so, please give brief details including approximate dates.

Please give a brief description of the proposed exhibition.
You will be expected to provide text and images for up to 9 panels (1300mm x 950mm).
If possible, include links to any websites that might provide the Exhibitions Panel with additional information on your organisation/group.

Information about the proposed exhibition
The exhibition area is 26 linear meters of hanging space together with 3 display cases (2 of 107cm x 55cm x 120cm and 1 of 55cm x 55cm x 120cm). There is the opportunity to have oral histories and short films relating to the exhibition displayed on a kiosk in the exhibition space.

Please give an approximate number and description of the objects to be exhibited in the display cases and whether you plan to submit either oral histories and/or a short film.

Please send your completed form to
