

Toy Library Registration Form

The aim of the Toy Library

The aim of the Toy Library is to provide a quality Toy Library service for families, groups and childminders in the East Riding of Yorkshire, with a wide range of fun, stimulating and educational toys. The Toy Library is available to all parents and carers of children under 5 years of age. Qualified and experienced Children's Centre Staff are available to offer advice and support on age appropriate toys. There is a catalogue system which enables the borrower to choose a toy and reserve it. Toys are so expensive these days and often you do not know what is going to appeal to your child, so instead of paying out for toys that are not played with, why not come and borrow our toys?

All toys are safety checked and cleaned following return from each borrower.

Agreement

1. All toys are loaned on a 4 week basis. Small toy hire 30p per toy. Large toy hire 50p per item.
2. Maximum number of toys per family is 4. More items can be loaned for parties or events with prior arrangement.
3. Each child issued with their own card allowing them to borrow their own toys separately from siblings.
4. If you would like to reserve a toy from the catalogue please ask a member of staff, who will do their best to reserve it and bring it along to the next session.
5. There are no late fees or charges, but if you would like to extend the loan on an item, please check with a member of staff that it has not already been reserved for someone else.
6. Please be aware that any of the toys contain small parts which are not suitable for very young children. If you are not sure about toy(s) suitability just ask a member of staff who will be happy to advise you.
7. All toys borrowed from the library must be treated with care and respect. Please inform us of any breakages or missing pieces (there is no charge for damages).

I have read the above and understand and agree to the conditions.
