

Pocklington & Market Weighton Children's Centre

Toy Library Catalogue

Requesting toys from the online catalogue

1. Browse the catalogue and choose up to 4 items that you would like to request
2. Contact the children's centre on **01759 307154** or via email **pockccadmin@eastriding.gov.uk** to request the toys stating the name of the toy(s), your name and contact details and your preferred collection centre (Pocklington or Market Weightton)
3. Your request will be added to the Toy Library Wishlist and you will be contacted when the toys are available for you to collect from your chosen centre

The Toy Library catalogue is also available at our Stay & Play sessions, in reception and during our sessions at Pocklington & Market Weightton Children's Centre.

Please speak to a member of staff for more information about the Toy Library.

Baby Toys

Musical Rattles - a set of colourful plastic rattles that make a variety of different sounds. Easy for small hands to grasp and explore.

Two piece puzzles - a set of 2 piece puzzles of different vehicles. Easy to slot together and encourages early interest in puzzles, shape and colour.

Mixed rattles & stackers set - a set of different rattles, stacking cups and stacking rings with different sounds, colours and textures for baby to explore.

Wooden Bead Frame - explore the different coloured beads on this frame and develop fine motor skills by moving the beads around the maze.

Happy Safari Cot Projector - this music and light show projector attaches to the side of a cot and plays soothing sounds and colours. The projector comes with a remote control so that you can turn it off without disturbing baby.

Penguin Bowling - this brightly coloured set includes six soft penguins and a ball. Have lots of fun bowling them down and listening to the different sounds that they make or exploring the different textures.

Wooden Pull-along Tortoise - encourage your baby's movement with this pull along tortoise. Pull along in front of your baby for them to watch as the tortoises heads bob up and down or use to encourage baby to crawl along behind and catch the tortoise.

Wooden Shape Sorter - encourage early shape and colour recognition and develop hand-eye coordination as these chunky wooden shapes are posted into the sorter.

TOLO Carousel - your baby will enjoy watching the bright colours as the carousel spins. This toy can also be used to develop hand - eye coordination and cause and effect as your baby connects their actions of pressing the plunger with the effect of the carousel spinning.

TOLO Pop up Teddies - develop your baby's hand - eye coordination, fine motor skills and sense of cause and effect as they press and twist the different buttons to make the teddies pop up. Peek-a-boo!

Travel Play Gym - develop your baby's hand - eye coordination, physical skills and sense of cause and effect as they explore the hanging toys, mirror and different textures on this soft, fold away baby gym.

Construction

Duplo Bricks - a set of brightly coloured, chunky plastic Duplo bricks. Develop fine motor skills, colour and shape recognition and imagination using these bricks to build different structures.

Meccano - a set of various shapes, nuts, bolts and wheels. Develop fine motor skills, colour and shape recognition and imagination using this set to build different structures and vehicles.

Stickle Bricks - a set of various shapes, connectors and wheels. Develop fine motor skills, colour and shape recognition and imagination using this set to build different structures and vehicles.

Jigsaws & Games

4 piece wooden animal puzzles - a set of wooden 4 piece puzzles with various animals on. These jigsaws are easy for small hands to hold and fit together and develop fine motor skills and thinking skills as your child learns how to put the pieces together.

Teddy Bear Opposites game - match the teddy bear cards up with the opposite actions (big/small, hot/cold etc).

Colour Match Express game - roll the dice to collect the different coloured teddy bears and match them to the same coloured carriage on your train. The first one with a full train wins!

Two by Two posting game - use your memory to find the matching pairs of animals in a game of 'Snap!' and then post each matching pair into the ark.

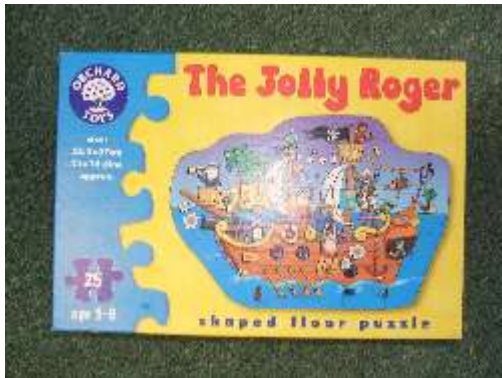

Gingerbread House floor puzzle

- this large floor puzzle will develop fine motor skills, shape and colour recognition and has lots of things to explore once put together. Can you see the gingerbread man? I wonder who might live in the house?

Big Bus floor puzzle - this large floor puzzle will develop fine motor skills, shape and colour recognition and has lots of things to explore once put together. Who is on the bus? I wonder where they could be going?

Jolly Roger floor puzzle - this large floor puzzle will develop fine motor skills, shape and colour recognition and has lots of things to explore once put together. Can you see the captain of the ship? Let's look for the treasure!

Under the Sea peg puzzles - explore the different sea creatures and match them up to the correct spaces on the board. The easy to grasp wooden pieces will support the development of fine motor skills and hand - eye coordination.

Blossom Farm peg puzzle - match the different animals in to the correct spaces on the board. The easy to grasp wooden pieces will support the development of fine motor skills and hand - eye coordination.

Wooden Shape peg puzzles - These chunky, easy to grasp shapes will support colour and shape recognition, hand - eye coordination and fine motor skills.

Threading

Threading Nuts & Bolts - Use these threading nuts and bolts to support colour and shape recognition, matching and practice fine motor skills.

Threading Beads - Practice and develop fine motor skills threading these different shape and colour beads on to the strings.

Role Play & Dolls

Eskimo Dolls - a pair of soft bodied multicultural dolls with clothes.

African Dolls - a pair of soft bodied multicultural dolls with clothes.

Boy Doll & Accessories - a hard bodied doll with clothes and accessories.

Girl Doll & Accessories - a hard bodied doll with clothes and accessories.

Role Play & Dolls

Tea set & food - a set of plastic pots and pans, cups and plates and a selection of play food.

Jungle Animal Outfit (Giraffe, Lion, Monkey or Elephant) - each outfit contains a tabard, hat and tail. **One outfit per loan.**

Doctors Outfit - this set includes a tabard, doctors bag and accessories.

Role Play & Dolls

Police Officer Outfit - this set includes a tabard, hat and accessories.

Firefighter Outfit - this set includes hat, tabard and fire fighting accessories.

Musical Instruments

Wooden Musical Instruments - a set of different wooden musical instruments including shakers, bells, castanets, tambourine and symbols.

Plastic Musical Instruments - a set of chunky plastic instruments suitable for babies and younger children. This set includes a drum, maracas, tambourine and castanets.

Sensory Equipment

Mirrorchime - enjoy the sensory experience of this mirrorchime. Watch the light reflect on the mirrors and listen to the gentle sound of the bells as you spin the chime.

Projector & colour discs - this easy to use projector comes with four different colour discs to create a soothing light show.

Small World

Train Set - use the different pieces to build a track including bridges, tunnels and two-way tracks. This set includes various trains and carriages.

'Wings & Wheels' plastic vehicles - a set of brightly coloured vehicles including cars, tractors, aeroplanes, helicopters and trucks.

Duplo Zoo- use the Duplo bricks to build the different environments for the animals in the zoo. The set includes various animals, trees and people.

Small World

TOLO Dolls House & Figures - this brightly coloured house opens out for easy access and includes people and furniture.

Handle Hauler Vehicles - a pair of chunky, push along handle hauler vehicles with easy to grasp handles. This set includes 1 car and 1 train.

Click Clack Track - watch and listen as the cars 'click clack' down the track. 3, 2, 1 .. GO!

Storysacks

Handa's Surprise - includes book, Handa doll, animal and fruit finger puppets, animal masks, background scenery board and a CD story.

No Room for Baby Roo - includes soft toy Kanga & Roo and other characters, book, background scenery board and 'Tiddly Winks' game.

Solo the Penguin - includes soft toy penguins and other characters, book and background scenery board.

The Gruffalo - includes soft toy Gruffalo and other characters, book, CD story, background scenery board and a factual book about woodland.

Winnie the Witch - includes soft toy Winnie the Witch and cats, book, background scenery board, DVD and game.

Outdoor & Physical

Ballpool & Balls - brightly coloured ballpool tent with balls. Have fun exploring in the ballpool, sorting the balls by different colours or finding items hidden in the ballpool.

Bowling - a set of foam weighted pins and one ball. Have fun knocking down the pins and counting up the scores.

Large Rocker - this large rocker can fit up to 3 children on. Work together to make the rocker move and develop physical skills.

Small Rocker - this small rocker seats 1 child and is suitable for younger children. Practice holding on and using your feet to make the rocker move.

Noughts & Crosses - fit the foam squares together to create a board and see who can get 3 in a row first.

Hopscotch - fit the foam squares together to create the hopscotch board and develop physical skills such as balancing and hopping as well as practicing turn taking skills.

Parachute - have fun with this brightly coloured parachute. Take a look at our **Activity Card** for some ideas of fun parachute games or use the parachute to make a den.

Tunnel - encourage crawling and physical play with this play tunnel. Use as part of an obstacle course or try placing a favourite toy inside to encourage baby to crawl.

Wheely Bug Ride On (1 Cow & 1 Bee) - develop physical skills on these fun wheely ride on toys. Set out a course with some cones to steer around or take it in turns to see who can do the fastest lap. **One ride on per loan.**
