

East Riding Minimum Operating Standards - ERMOS (as of 25th April 2017)

This list has been collated to help put you in touch with Sports Businesses who meet the East Riding Sport, Play & Arts Service's Minimum Operating Standards (ERMOS).

Only Sports Businesses that are registered with the Sport, Play & Arts Service are shown on this list below (sport order) and should be used by schools and leisure centres when making private bookings, providing coaching sessions to young people and handing out publicity material. Please also see attached a list of all coaches that have been disclosed by the provider. Any coaches that **do not** appear on this list have not been checked by our Service and should not be used by the school/leisure centre.

Please note that the businesses below have been quality assured to check they have appropriate policies/procedures and qualifications in place so that they can demonstrate their group can provide a safe, child friendly environment for junior participants. In addition Schools will ensure that each individual provider has written confirmation that they meet the childcare disqualification requirements.

The businesses below will be subject to random spot checks throughout the year which will be carried out by a member of the Sport, Play & Arts Service and be subject to an annual health check. Schools however still have a responsibility to check the quality of coaching sessions and report any bad practice/concerns they may have.

If schools or leisure centres would like a group not on the list to begin working towards accreditation or would like to report any bad practice/concerns please contact Catherine Law or Tracey Topliss 01482 392523 or e-mail Catherine.law@eastriding.gov.uk or tracey.topliss@eastriding.gov.uk

Any adult only football (pay and play) groups are to be allowed to use facilities at the discretion of the facility manager – It is essential that they have the appropriate insurance in place although health and safety may be covered through the facility.

Please also be aware that if schools are promoting/using private gyms, it is the responsibility of the school to check that they meet appropriate standards.

Note: Businesses removed in the last quarter for non-renewal of accreditation are as follows:
