

**East Riding Club Accreditation Scheme (ERCAS)**  
**Accredited Sports Clubs in the East Riding of Yorkshire (1 June 2018)**

This list has been collated by the East Riding of Yorkshire Sport, Play & Arts Service to help put you in touch with a range of accredited voluntary sports clubs across the East Riding of Yorkshire.

Clubs are listed in sport order and show details of the appropriate club member to contact if you are interested in finding out more about that particular club. All clubs that have pending against their expiry date have submitted their renewal or are in the process of doing so.

There are a number of accreditation schemes for voluntary sports clubs to work towards, such as National Governing Body of Sport (NGB) Accreditation, Sport England's 'Clubmark' Scheme and the East Riding of Yorkshire Council's own Club Accreditation Scheme (ERCAS). Each accreditation ensures sports clubs provide details of their policies and procedures including DBS checks, Health & Safety Standards and Coaching Qualifications. The type and level of accreditation is shown against each club. An accredited club is one who has worked towards a series of standards to prove that they can provide a safe, child friendly environment for junior/adult members. In addition Schools will ensure that each individual provider has written confirmation that they meet the childcare disqualification requirements.

Please note that only accredited clubs that are registered with the Sport, Play and Arts Service are shown on this list and should be used by schools and leisure centres when (making private bookings, providing coaching sessions to young people and handing out publicity material). If a voluntary club holds either Clubmark or an NGB accreditation, they are still required to achieve ERCAS, however this process is extremely simple – please ask the club to contact Sport, Play and Arts Service (details below).

For all queries relating to the ERCAS process or if schools or leisure centres would like a group not on the list to begin working towards accreditation please contact Tracey Topliss on 01482 392523 or email [tracey.topliss@eastriding.gov.uk](mailto:tracey.topliss@eastriding.gov.uk).
